

About Corrinne

Fearless Leadership® – Accessing untapped potential.

Courageous conversations to build trust and move us forward.

Corrinne is Australia's leading thinker in Fearless Leadership.

Over 10 years in corporate leadership roles, 2½ years living and teaching in the jungle on the edge of a war zone, and almost 15 years in and out of board rooms working with senior leaders, she's gained much to share with audiences.

Corrinne gets first-hand the challenges and competing priorities of leadership because she's been there, and her work with leaders has ripple effects across the globe. She has written 2 books on leadership, and two specialist texts on human behaviour used by consultants worldwide. At home she is married to an ex guerrilla fighter and mother to two beautiful daughters, so she knows a thing or two about life balance.

Corrinne shares lessons that help leaders access untapped potential through stepping up to courageous conversations that build trust and move us all forward
