

INTRODUCTION for Corrinne Armour

Keynote Speaker | Fearless Leadership®

Today, our speaker is a leadership expert with an extraordinary life story.

She is here to help us access our untapped potential, and have the courageous conversations that build trust and move us all forward.

Our speaker is Australia's leading thinker in Fearless Leadership. She gets first-hand the challenges and competing priorities and of leadership because she's been there. Over 10 years in corporate leadership roles, 2½ years living and teaching in the jungle on the edge of a warzone, and almost 15 years in and out of board rooms working with senior leaders, she's gained lots to share about leadership.

She has written 2 books on leadership, and two specialist texts on human behaviour used by consultants worldwide. Her work with senior leadership teams has ripple effects across the globe.

At home she is married to an ex guerrilla fighter and mother to two beautiful daughters, so she knows a thing or two about life balance.

Ladies and gentlemen, please make some noise for the author of 'Leaders Who Ask', Corrinne Armour.
