

Ask More. Tell Less. Lead Fearlessly.

Creating Fearless Cultures and saving the world

**FEARLESS
LEADERSHIP**

Key messages: Leadership, Performance, Engagement, Influence

True leadership requires a new and innovative approach. It's a tough gig! Boosting engagement, building accountability, fostering creativity are still the cornerstones of brilliant leadership, but today's rapidly changing landscape requires more.

As leaders, our desire to solve problems for our people can often drive us to help too hard. This powerful keynote inspires leaders at all levels of the business to deliver superior results by learning a few simple techniques that promote trust and initiative and enhance ingenuity.

Your audience will hear incredible stories as Corrinne shares transformational insights into brain science, that will shift your 'ask/tell ratio' to connect deeply, lead fearlessly and achieve results.

This keynote will:

- Promote a NEW kind of leadership that gets the right things done
- Help leaders understand why telling is not the answer
- Move people from complacency to collective power
- Empower the audience to build curiosity and sit comfortably with uncertainty
- Leave people inspired to follow their 'why' and lead a quest to save the world

Note: This keynote can be tailored for a general audience, with a focus on 'personal leadership' rather than the leadership of other people.
